Brian[at]beamcamp.com \ (718)569-0332

PLEASE READ THE FOLLOWING BEFORE PACKING YOUR CAMPER

- Please take a less-is-more approach to packing by following these guidelines. Laundry will be done once a week during camp.
- Label **with first and last names** all of your child's belongings **including all electronic devices and cords**. We have arranged for a 20% discount on easy to apply labels at www.labeldaddy.com. Use promo code BEAM at checkout to get your discount.
- Campers must bring a labeled laundry bag, mesh, cloth, or cotton.
- Please pack "play clothes" and avoid sending new or valued clothing to camp.
- Upon arrival at Beam, campers will unpack their clothing into three personal shelves and a camp-provided under-bed bin. Empty luggage will be stored separately. Whenever possible please pack your camper's belongings in soft luggage that can be stored folded or flat.
- Campers should bring a receptacle (i.e., shower caddy) to carry toiletries and flip flops/sandals to facilitate trips to the toilet/shower house.
- We encourage campers to enjoy music during rest time and while reading before sleep. However, watching of videos on personal electronic devices is not permitted at camp. Please explain this policy to your camper if you plan to pack such a hybrid device.
